On May 5, 2021 at 10:14pm I was physically assaulted by Officer J. Miller #0238090 an officer at the Chatham County detention center; This officer placed over my safety and well-being by Sheriff John T. Wilcher; who assured my safety and well-being under all officers care.

Officer J. Miller physically and intentionally threw a soiled bottle full of water from the top range in my unit at me, hitting me in the face with it. The bottle hit me in my left eye, I could not keep my eye open at all, I couldn't see out of my eye, I was in constant pain. my eye itself was immediately blood shot red and swelling. The throbbing sensation from the hit brought an instant and lasting head ache. my eye remains swollen and bruised to this day. my vision has not returned to this day, I struggle to see out of my left eye.

I immediately notified CPL Singhtun, a CPL appointed by Sheriff John T. Wilcher as administration over the unit I wing. I told him about the incident that happened; that I had been physically assaulted, I asked him to see the nurse because of the pain that I was in and the injuries to my face, I showed him my face, my face was swollen, my eye was bruised and extremely red and watery. I told him that I had a really bad head ache and my pain was unbearable. The CPL told me that the nurse was busy and that she would be over. I asked him to speak to the Watch commander, (this was my right according to Sheriff protocol) he totally ignored my request, he said he would tell the Sargent, I never saw the Sgt.

At 11:30pm Nurse Rivera came into the wing and said. She didn't have anything to give me, saying she didn't have a STICK to give me and walked off laughing.

Nurse Rivera never examined my eye at all or took any of my concerns serious, my medical request were neglected and I was told to "put it on the kiosk." I told CPL. Singleton that I would like for him to document the incident as the Sheriff protocol calls for; He took pictures of my eye & slammed the cell door.

Officers later returned to pull my cellmate RAHIEM Sheppard out trying to convince him to talk me out of pursuing the issue any further.

On May 6th 2021 at 2:55pm I saw Sgt. Kendall a Sergeant appointed by Sheriff John T. Wilcher as operations administrator over the Unit one wing. I told the Sgt about the incident, that I was physically assaulted, and requested to see the nurse. The Sgt totally ignored my request, totally ignored the written Sheriff protocol and denied my medical concerns, I was left in pain without any help.

Upon my many request for medical assistance they have all been denied, I have taken it upon myself to write to the Sheriff informing him of the incident and what I'm going through, all my letters have not been responded to and denied, administration has shown a complete deliberate indifference towards me by having no regard for the written Sheriff protocol put in place to ensure all inmates well-being and safety.
